25TH REUNION GIFTS

Starting with the class of 1950B, 25th reunion classes have expressed gratitude for their VMI experience and reinvested in the Institute with a generous reunion campaign. It offers a major opportunity for the class to come together in support of the Institute. The gifts and commitments made during this campaign serve as a legacy which will have a profound and lasting impact on the Institute, and do much to ensure that its future graduates will be the same kind of honorable and purposeful leaders VMI has produced since 1839.

State funding to VMI accounts for under 20% of needs. Only through private support are we able to pursue excellence on every level at VMI. Your gift provides opportunities for cadets, secures the distinctive qualities of the VMI experience, and advances the mission of the Institute to develop leaders of character in a complex and ever-changing world.

Class of 1997 Memorial Scholarship

The Corps of Cadets is made up of students from diverse economic backgrounds who share the willingness to face the challenge of a VMI education. Whether receiving financial awards based on need, athletic prowess, academic merit, or military service through ROTC, some 87% receive aid. Many could not attend without this scholarship aid.
