

10TH REUNION GIFTS

Starting with the class of 1983, 10th Reunion classes have expressed gratitude for their VMI experience and reinvested in the Institute with a generous reunion campaign. For most alumni, it is the first time they are asked to consider a multi-year pledge to assist VMI on an annual basis. The 10th Reunion campaign gives your class a unique opportunity to contribute to the quality of education at VMI, with a primary emphasis on participation, or expanding the base of support for the Institute.

State funding to VMI accounts for under 20% of needs. Only through private support are we able to pursue excellence on every level at VMI. Your gift provides opportunities for cadets, secures the distinctive qualities of the VMI experience, and advances the mission of the Institute to develop leaders of character in a complex and ever-changing world.

The Foundation Fund annually augments support provided to the Institute to ensure the progress of the academic and co-curricular programs that give VMI its extraordinary character and a well-earned place among the nation's top colleges and universities.

The Keydet Club Scholarship Fund supports a proud, competitive and diverse athletic program that builds physical fitness and imparts lifelong lessons in character, discipline and teamwork.

Class of 2013 Memorial Scholarship

The Corps of Cadets is made up of students from diverse economic backgrounds who share the willingness to face the challenge of a VMI education. Whether receiving financial awards based on need, athletic prowess, academic merit, or military service through ROTC, some 87% receive aid. Many could not attend without this scholarship aid.
